Information about the **Conference, Exhibition & Workshop** Event - IEEG 2022

Differences between Conference vs Workshop

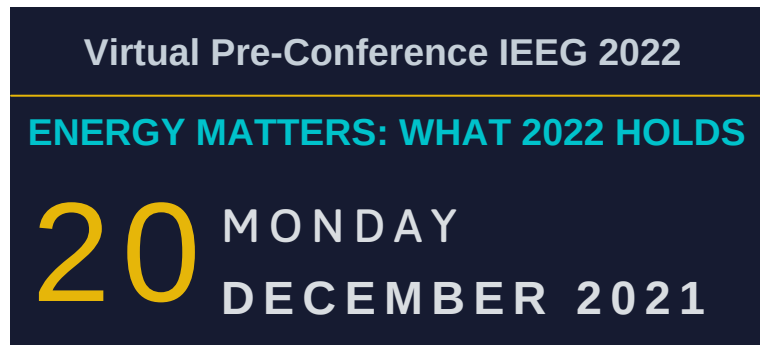

Conference: Ministries, authorities, regulators, distinguished companies and high profile speakers (Gold and Platinum sponsorships) will be participating in this main presentation session. Each presentation lasts up to 15 minutes.

Workshop: Exhibitors (companies), Academia and Research Institutes will be presenting their area of expertise and achievements during the workshop, an area located in the exhibition place. Each presentation lasts up to 10 minutes.

Benefits from Early Booking

Book your place by the **7th December 2021** and participate **FOR FREE** on the Virtual Pre-Conference

The purpose of the Virtual Pre- Conference is to inform the audience about energy status and act as a "teaser" for the main presentation during the event in 2022.
